This year we are utilizing the Serve Only option for lunches for grades K-4. This means they all get everything offered if eating a school lunch. In case of classroom eating, we want to be sure all have plenty with no option to return for more. Without 3 components, with one being a fruit or vegetable, all items on the tray will be priced Ala Carte and will cost more. If your child would like to have a peanut butter sandwich in place of the main entree, which is allowable. If your child brings a lunch and wants milk, be sure they have 50 cents in their account or cash to purchase. Milk is not given or considered a free/reduced item without the meal as it does not meet the NSLP requirements. We offer 1% Chocolate or White Milk .ALL BREAKFAST/LUNCH (NSLP) meals are currently FREE for ALL Students. Snacks/extras are encouraged to be purchased at time of checkout with lunch to discourage coming back and forth, in our current state. Free/ Reduced Applications are always available in the cafeteria. Contact us if you'd like one sent home. Questions about the NSLP or NSBP? Contact Marie Hasler at 812-384-2401.
