

Community Outreach

Each year, the school and community work together to merge programs and events. We have an Apple Festival and a fall color run and supper. We also host a Veterans Day program and invite local business into the school to do activities with our students.

Choosing Us

We strive to build an educational environment on long lasting and good, solid relationships. The students are our priority. Positive relationships build successful learners and good rapport to move from class to class. With a school of our size, this is the best approach and first step in teaching.

OUR SERVICES

What is so unique about Bloomfield is the building structure. We are a K-12 building. We encourage high school students to work with the younger grades. They tutor, mentor, and engage students in opportunities you can't find in most schools.

SPECIAL PROGRAMS

- Robotics Competition Team
- Character Education Program
- Math Bowl
- Music Program
- PTO sponsored activities like the carnival
- 9 Weeks Rewards Program for 1-6
- And more →

WE ALSO PROVIDE

Cardinal Connection is a community outreach academic assistance program implemented by staff during the 2016-17 school year. Community volunteers partner with students that may need extra practice in math and reading skills. These volunteers spend 1-2 hours, several days per week, making a difference in the lives of our students and teachers. They provide help in supporting our students academic needs, but most importantly establish lifelong friendships.

DAILY ACTIVITIES

Our school provides daily activities to all students.

- Physical Education
- Reading Zone
- Art
- Music
- Recess

ATHLETICS

Bloomfield Elementary School offer the following athletic opportunities for students in 5th and 6th grade.

- Cross country
- Cheerleading
- Basketball
- Track
- Golf
